To Whom It May Concern,

RE: RENTAL APPRAISAL LETTER
PROPERTY: 601 HIGH STREET, MAITLAND NSW 2320

Property management is a specialised and highly skilled area of real estate that demands attention to detail, well qualified and experienced personnel, regular communication and an effective and systemised approach to asset management.

Our property management division has developed 'cutting edge' property management systems and procedures that ensure effective letting and management to maximise our client's investment returns.

And that's what it is all about – maximising investment opportunities!

It is our opinion that the above- mentioned property as is, would have an estimated rental return of approximately \$570 - \$600 per week based on comparable pricing evidence. This should be seen as a guide.

If you have any questions regarding this matter, please do not hesitate to contact me.

Regards,
First National David Haggarty
